Who is Idolum Design Resource?

Idolum Design Resource provides a unique one-stop resource facility for freelance designers, architects, developers and other professionals working in the field of interior design. Their spacious design library in Kingston upon Thames is available for use to the trade only, offering more than 1000 fabric and wallpaper books from more than 150 suppliers, a full next day sampling service, and a complete product purchasing service for fabrics, wallpaper, lighting, furniture and accessories.

Baypoles

Working in association with Walcot House, Idolum now offers a complete baypole bending service. Both the 19mm (black and stainless steel) and 30mm diameter poles (stainless steel only) can be bent to order and will be despatched to you together with your chosen Walcot House finials and accessories. They also offer an on-site measure and fit service in some areas.

A detailed specification form gives you details of all the measurements and information Idolum require to process your order.

Call Idolum on 0208 255 4472 for a quote or more information.

Eyeletting

Idolum offers a complete curtain eyeletting service on behalf of Walcot House. 8mm, 40mm and 66mm eyelets, in a range of colours, can be inserted into your own curtains, or can be purchased for use with your own eyelet press. Curtain collection can be arranged and they aim to deliver your curtains back to you within 5 working days. More urgent requests are accommodated wherever possible. Call Idolum on 0208 255 4472 for colour samples and a specification form, or more information.

Curtain Workroom

Idolum's in-house curtain workroom also offers a complete soft furnishings make-up service, with measure and fitting services as an optional add-on. All work is hand-sewn to a very high standard, and their work has featured in some of the country's most prestigious addresses. Idolum has many years experience in this field and can offer comprehensive advice on all aspects of window treatments. Please contact them for a detailed price list.
