

Mineral Marron Pole with a Tortoiseshell Riva Cube Finial (g)

Wrapped Poles - Mineral Collection

Mineral

This sumptuous collection boasts six unique and diverse mineral-inspired pole finishes with a rich colour palette and tactile surface.

50mm diameter Mineral poles come complete with either a silver or bronze track and gliders. If required, they can also be corded to your specification.

Matching finials and holdbacks are available.

Simply choose either the Bobbin or Disc finial and we will apply your chosen Mineral wrap(s). See pages 18 & 19 for details.

Alternatively, choose any of our existing 50mm finials from the main catalogue. A selection is shown here as an example.

For pleating hooks with rivets see page 17, and for brackets see page 21.

Please note wrapped poles cannot be used with rings.

Full details of finials can be found in our main catalogue.

pole and track length	code	track colour	gliders included
150cm	P-T50-150-WXXX-SV	silver	16
	P-T50-150-WXXX-BZ	bronze	
180cm	P-T50-180-WXXX-SV	silver	20
	P-T50-180-WXXX-BZ	bronze	
240cm	P-T50-240-WXXX-SV	silver	28
	P-T50-240-WXXX-BZ	bronze	
300cm (2pc)	P-T50-300-WXXX-SV	silver	34
	P-T50-300-WXXX-BZ	bronze	
400cm (2pc)	P-T50-400-WXXX-SV	silver	46
	P-T50-400-WXXX-BZ	bronze	

Replace XXX with your chosen wrap code shown on the opposite page.

Please note, all wrapped poles are tracked end to end. To order your pole corded, add '-CD' to the end of the tracked pole code shown above.
