

50mm stained wood

50mm diameter stained wood pole

This solid ash pole comes in four beautiful stained finishes.

The recommended maximum span between brackets is 200cm. Order one of our stock sizes shown, or, for an additional charge, we will cut them to size. Poles over 240cm are delivered in two pieces, with a 'spigot' at one end of each. These slot neatly inside our connector bracket, which is required to make a smooth join.

As this is a natural product please allow for some variance.

See page 58 for bracketry details.

Rings

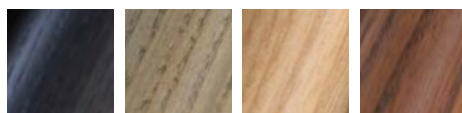

Standard and passing rings are available with a flat section profile. Allow at least one ring for every 10cm of pole length.

All rings have a nylon insert to ensure curtains glide smoothly and quietly along the pole.

Passing rings allow one pair of curtains or a single curtain to be pulled across the window.

pole length	graphite	french grey	natural oak	american walnut
150cm	P-50-150-GP	P-50-150-FG	P-50-150-NO	P-50-150-AW
180cm	P-50-180-GP	P-50-180-FG	P-50-180-NO	P-50-180-AW
240cm	P-50-240-GP	P-50-240-FG	P-50-240-NO	P-50-240-AW
300cm	P-50-300-GP	P-50-300-FG	P-50-300-NO	P-50-300-AW
400cm (2pc)	P-50-400-GP	P-50-400-FG	P-50-400-NO	P-50-400-AW

Pole finish:

graphite french grey natural oak american walnut
